

Interested in
helping low
income
families in
your
community?

Want to gain
valuable
experience for
your resume, or
hours toward an
internship or
practicum?

Kentucky Asset Success Initiative (KASI) volunteers gain training and experience in assisting working families file taxes and reclaim earned income, while avoiding filing fees. The Kentucky Domestic Violence Association will host KASI free tax preparation sites in Franklin, Mercer, Owen, Scott, and Woodford Counties and is looking for volunteers. Can you help us help others get the refunds and tax credits they deserve? Volunteers are needed to greet taxpayers, prepare returns, and conduct quality reviews.
